

frog street Infant Joyful Beginnings

WHAT MAKES FROG STREET INFANT UNIQUE?

Building strong foundations for lifelong learning

Frog Street Infant Joyful Beginnings is designed for real-world infant classrooms, ensuring flexibility for educators while providing high-quality learning experiences for infants. Every day in an infant classroom brings something new! Teaching infants is a joyful, yet unpredictable experience. Educators need resources that adapt to their changing routines because infant development happens from moment to moment, requiring quick and easy ways to support learning in real-time.

- ✓ **Flexible and Developmentally Appropriate:** Activities tailored for different age groups (0-3 months, 3-6 months, 6-12 months, and 12-18 months).
- ✓ **Supports Unpredictable Schedules:** Allows teachers to seamlessly integrate learning moments throughout the day.
- ✓ **Bilingual Learning Materials:** Available in English and Spanish to support all learners.
- ✓ **Frog Street brings structure and confidence** into the dynamic world of infant learning with a research-based approach that integrates seamlessly into daily routines.
- ✓ **Grounded in Conscious Discipline®:** Frog Street Infant Joyful Beginnings supports self-regulation, positive classroom culture, and teacher-infant bonding.

ESSENTIAL RESOURCES FOR EDUCATORS

Empowering educators with easy-to-use tools

Frog Street Infant Joyful Beginnings provides everything educators need to create engaging learning experiences from hands-on activities to digital support. Designed for the real world, where no two days look the same, Frog Street's research-based tools save time, reduce stress, and support infant development.

- ✓ **Lilypad Digital Platform:** Provides quick access to lesson plans, music, and classroom content, creating a seamless experience for lesson planning and implementation.
- ✓ **Welcome Guide:** Covers pedagogy, research, and practical implementation strategies.
- ✓ **Administrator's Guide:** Helps leaders train and support infant educators.
- ✓ **15 Strategy Cards:** On-the-go teacher support with quick-reference strategies.
- ✓ **Flexible Activity Selections:** Help educators meet each infant's unique learning needs while adapting to unpredictable schedules.

ENGAGING LEARNING MATERIALS

Hands-on tools to spark infant development

Thoughtfully designed materials support infants' cognitive, physical, language, and social-emotional growth. Frog Street Infant Joyful Beginnings goes beyond activities by fostering connections that support meaningful development. Through research-backed learning experiences, this program helps infants build foundational skills while strengthening their relationships with caregivers and peers.

- ✓ **320 Learning Activity Cards:** Focused on language, physical, cognitive, and social-emotional development.
- ✓ **52 Photo Cards:** Featuring real-world images to engage infants in visual learning.
- ✓ **20 Visually Captivating Board Books:** Encouraging early literacy and a love of reading.
- ✓ **18 Educational Posters:** Packed with teaching strategies, developmental insights, and family engagement tips.
- ✓ **Curated Manipulative Collection:** Hands-on tools that support sensory exploration and cognitive development.

STRENGTHENING CONNECTIONS WITH FAMILIES

Bringing learning beyond the classroom

Engaging families helps extend learning at home, reinforcing what infants experience in the classroom. Frog Street Infant Joyful Beginnings is designed not just for teachers but also to strengthen the bond between caregivers and families, helping infants feel secure and engaged in every environment.

- ✓ **Family Connections:** Weekly milestone-aligned engagement tips with at-home activities.
- ✓ **Conscious Discipline® Framework:** Helping families foster self-regulation and build positive home culture.
